2011 South Dakota State Women's Soccer

The seniors reflect on the "Jackrabbit Family."

Top row from left: Kelsey Ferguson, Kayla Braffet.
Bottom row from left: Steph Peterson, Cori Bonte, Kat Donovan, Kelli Herman, Danielle Neuhalfen.

"Family. This one word is carelessly thrown around, but has such a strong meaning. For players to come together, from all different kinds of backgrounds, and work to create something special; something so special that only a true athlete can do, let alone understand. Playing at SDSU is about being a part of something greater than myself. Working with fantastic people to create this wonderful, special family."

-Kat Donovan

"Playing for SDSU has been so much fun! Competing at the Division I level with these girls has been an amazing opportunity. The Jackrabbit family of teammates, coaches, fans and faculty has been so supportive. I am proud to be a Jackrabbit and represent SDSU on the soccer field."

-Danielle Neuhalfen

"There is so much experience within this senior class. They have been to conference championships, they have played in the NCAA tournament, they have been through the highs and lows of their careers which have primed them for this final season. They are a tremendous group of women who are great soccer players, fantastic students, and wonderful representatives of South Dakota State."

-Lang Wedemeyer, head coach

"Being a Jackrabbit is more than just being on an athletic team; it means being a part of something bigger. This team, family and community called the Jackrabbits has helped me become a better individual, not only on the field, but in the classroom and, more importantly, in the community. I have never had a "home feel" advantage, coming from a place where my old community never knew who they wanted to support. Being a Jackrabbit has allowed me to have this "home feel" advantage, where I know where my community and state's support lies. Wearing the yellow and blue gives me confidence, but it also gives me a sense of great pride. I am proud to represent my sport, team, Brookings and the state of South Dakota. Go Big, Go Blue, Go Jacks."

-Kayla Braffet

2011 South Dakota State Women's Soccer

The seniors reflect on the "Jackrabbit Family."

"For me, being a Jackrabbit is more than just being on a soccer team. It means being a part of a family; the Jackrabbit Family. Within this family come loyalty, pride and legacy. I know it sounds cliché, but I think every SDSU athlete will say the same thing after four, or in my case, five years. The Jackrabbit family does not only consist of student athletes, but also coaches, staff members and, most importantly, our fans. I am proud and I love to wear the colors yellow and blue. When I put those colors on I know I am representing not only myself, but the entire Jackrabbit Family. After my last game, I will look back and think about the hard work I put in on and off the field, the team dinners, trips, workouts with Brad and other great memories. I love this place and have been so blessed to spend the past five years here, at SDSU. Go Big. Go Blue. Go Jacks!"

-Kelli Herman

"Playing soccer for SDSU has really been an amazing experience for me. I have met so many nice people that have helped me through this journey. My teammates and coaches have basically become my second family. This family would help me with any kind of problem I may have, whether it deals with soccer, school, or even personal issues. Also, I have learned many things from my time here. Between soccer and school, I definitely have learned how to manage my time. I learned how to solve various problems both on and off the soccer field, as well. Of course, continuing to play soccer, the sport I love, and being able to improve my skills is one of the big things that I really enjoyed. Overall, just playing soccer with all my awesome teammates has made my time here remarkable."

-Steph Peterson

Over the last three years, being a Jackrabbit has meant growth, maturity, character building and the formation of deep and lasting relationships. These traits, along with the wonderful people that have encouraged me, the way they have instilled leadership qualities within me, helped me focus and become a person in pursuit of goals, are what SDSU is all about. These goals have sometimes involved trying new things, taking risks and making great efforts toward high objectives. They have also required me to be a leader... a leader that inspires others through my actions and integrity, while constantly seeking the champion within myself. Becoming that champion requires me to do things that I do not always think I can do and, sometimes, others are not willing to do. Because of this the Jackrabbits are champions... constantly pursuing their highest potential and always bouncing back when they are knocked down. As Jack Dempsey, the great heavyweight boxer once stated, and as Abby Wambach demonstrated in the recent World Cup game with Brazil, "A champion is someone who gets up when he can't."

That's what it means to be Jackrabbit."

-Cori Bonte

"Each day we talk about what kind of team we want to be. What we don't realize is that by deciding what kind of team we want to become we discover the kind of people we are. Playing at SDSU has allowed me to grow, not only as a soccer player, but as a person. It has helped build my character and allowed me to become a person that I am proud to be."

-Kelsey Ferguson

Vision, Mission and Values

South Dakota State Athletic Department

Every undertaking of South Dakota State University is driven by a common force — a relentless commitment to excellence. Within the Athletic Department, excellence is measured by much more than wins and losses. We are committed to providing each and every student-athlete with a comprehensive collegiate experience that is second to none. Every decision that guides our program is made with the student-athlete in mind. Is athletic achievement important? Yes, because it is the fundamental purpose of the student-athlete experience. Is social responsibility a vital component? Yes, we expect to contribute to the well-being of our campus, community and state. How about positive student-athlete experiences and competitive success? Those also define our program because they are integral to the student-athlete's growth. That is what it means to be student-centered, and why our vision is...

VISION: To be a premier student-centered collegiate athletic program.

How will SDSU athletics achieve that vision? By working tirelessly to create a special place where student-athletes who share our drive and determination can develop life skills that lead not only to athletic success, but pave the way for victories long into their lives. The important work of creating that setting is the heart of our mission.

MISSION: To passionately and relentlessly create an environment, rooted in sportsmanship and ethical conduct, where motivated student-athletes can develop into lifelong champions.

To be a lifelong champion, one must maintain a discipline of taking the highest road. Similarly, SDSU is guided by a stringent value set that will not be compromised.

VALUES: Honesty, equity, academic integrity, fiscal integrity and social responsibility with the expectation of competing at the highest level.

2011 Jackrabbit Season Preview

2011 South Dakota State Women's Soccer

Season Preview

Outlook

Following the fourth straight top-three finish in The Summit League, South Dakota State aims to climb back to the top of the conference and make a second trip to the NCAA College Cup. The Jackrabbits last made the tournament in 2008, in which the team recorded its first postseason victory in school history.

"Last season was a tale of bitter sweet," said head coach Lang Wedemeyer. "I think we had a very solid season with our lowest loss total (3) in the program's history. But there were way too many ties and overtimes. And in the end, we couldn't get goals when we needed them most in the Summit League semis. I believe we learned a lot from last year and are even stronger coming into the 2011 season."

The season got off to a bumpy start as the Jacks tied the opener on the road at Creighton before dropping its home opener against Drake. South Dakota State did not suffer a defeat in the next eight games, posting a 6-0-2 record and outscoring opponents 14-6. The team's streak ended in its second conference game at eventual regular season champion Oakland, losing 2-1 despite the fastest goal in Jackrabbit history (Danni Healy - 0:18). Another four-game streak saw South Dakota State go 3-0-1 before it dropped another 2-1 decision, this time at North Dakota State on a late goal.

The Jackrabbits finished the regular season with a 6-2-1 conference record and the No. 3 seed in the conference tournament.

At The Summit League Championships, South Dakota State faced the No. 2 seed North Dakota State in a rematch from two weeks prior. The Jacks got on the board first, scoring midway through the first half. North Dakota State posted a goal of their own early in the second half, bringing the score to 1-1. The tie held through regulation and both overtimes, requiring penalty kicks to determine the outcome. A couple of misses cost the Jackrabbits, as North Dakota State secured the victory with a 4-3 penalty kick advantage.

South Dakota State finished the season at 11-3-5.

Although the team graduated Offensive Player of the Year Danni Healy along with six other seniors and lost two other letterwinners to injury and studies, it returns seven starters and 18 letterwinners. The Jackrabbits also add five freshman and two transfer players.

"I don't believe you can ever replace a class of players," Wedemeyer said. "You may have to replace positions or integrate new personalities into your lineup, but you can never replace the seniors that graduate. And last year's class is no exception. They were wonderful people who gave everything they had to our soccer team. They will certainly be missed, but their legacy will continue on in the traditions of the program."

South Dakota State has plenty to be excited about in the upcoming 2011 season. Many of the players the team returns played key roles in the previous season.

The 2011 team is focused on having continued success and constructing a return trip to the NCAA College Cup.

Forwards

The Jackrabbits graduated The Summit League Offensive Player of the Year Danni Healy, who is fifth on the South Dakota State career scoring leaderboard and led the team with seven goals in 2010. Despite this loss, the team returns a strong core of scorers, including starter Kayla Braffet.

Braffet, a senior, played in all 19 games for South Dakota State, leading the team in shots (58) and shots on goal (24). She finished second in goals (5), two of which were game winners, and third in points (13).

"Kayla Braffet had a great spring and has the speed to run past almost any defender she'll face this season," said Wedemeyer. "Kelsey Ferguson is primed to step her game up and be a 'go to player' for us this fall. Abby Jurgens started to come into her own this past spring. She demonstrates a lot creativity in the attack. Brittany Sipp had her best spring of her career and as long as she's healthy, will provide a great spark up front. Newcomers Stephanie Krzywania, Kristin Ford and Jordyn Smith all have qualities that will help us as we utilize quite a few front runners throughout the season."

Senior forward Kayla Braffet leads the Jack attack in 2011.

Ferguson played in all 19 games for the Jackrabbits, netting three goals, one being a game winner.

Jurgens saw action in nine games for the Jacks, notching one goal.

Sipp saw limited action, recording five shots and three shots on goal.

The freshman class brings a lot of dynamic, playmaking ability. Coach Wedemeyer is excited about the depth the incoming players bring to the position and sees a lot of potential for contribution.

South Dakota State will be as strong at the forward position as they have been in recent years. There will be plenty of offensive excitement at Fishback Soccer Park when the Jackrabbit forwards are on the attack.

Higgins will also see some action at the forward position this season.

2011 Schedule

Date	Opponent	Location	Time
Aug. 12	Nebraska (exh.)	Brookings, S.D.	6 p.m.

2011 South Dakota State Women's Soccer

Season Preview

Midfielders

The Jacks lost three starting midfielders in Emily Quigley, Kaitlin Justice (All-Summit League First Team selection) and Tory Schiltgen, but return one starter in Cori Bonte.

Bonte, a senior and 2011 team captain, played in all 19 games for the Jacks, recording three goals and two assists. She was selected to the All-Summit League Second Team for her performance.

In addition to Bonte, South Dakota State returns sophomore Darci Miller. Miller, an All-Summit League Newcomer Team performer, played in 19 games while scoring two goals and tallying one assist.

"This might be the position that we have the most experience returning with Cori Bonte leading the way," Wedemeyer said. "Her tenacity and ball winning skills have been heightened with her technical development over the years. Dani Neuhaufen has been a steady player for us in her career and had a great spring. Darci Miller had a tremendous freshman year and we'll look to her for consistent play this fall. Christa Nyblom is one of our most creative attacking mids and is becoming more of a threat to score from distance as she matures. Caylee Costello played well this past spring and can play both attacking and defensive center mid. Newcomer Megan Kingston had a great freshman year at UNO and will challenge for playing time right away."

Senior midfielder Cori Bonte controls the field for SDSU in 2011.

Nyblom played in all 19 games for the Jacks, scoring a pair of goals and recording four assists.

Neuhaufen saw action in nine games for the Jacks, notching one goal and one assist. Recently, Neuhaufen has been writing a soccer blog which can be found on GoJacks.com.

Costello saw action in eight games, coming away with two shots and one shot on goal.

Kingston, a sophomore transfer from Nebraska-Omaha, finished second on her team with 15 points on four goals and seven assists.

Krzywania, Sipp and Klimavicz may also see action at the midfield position this season.

Defenders

The Jacks return all starting defenders in Steph Peterson, Stéphanie Bérubé, Courtney Higgins and Megan Huegli.

Peterson, a senior, played in 18 games last season while netting one goal and assisting on one. She was an All-Summit League Second Team selection. Bérubé, a junior, saw action in all 19 games for the Jacks and recorded one assist.

"The center backs will be led by Stéphanie Bérubé and Stephanie Peterson," said Wedemeyer. "Between the two of them, they have a whole lot of games under their belts and a wonderful experience in tough games. Courtney Higgins and Megan Huegli are two players who have developed into some of the best attacking outside backs in our conference. Hannah Phillips had a great spring season and will see time as an outside back this fall. We are also anxious to get veteran Kelli Herman back on the field after extended injuries. Newcomers Julie Klimavicz and Caitlin Wills both have great club and high school experience and should make the transition to the speed and physical college game quickly."

Higgins, a junior, saw action in 18 games for the Jacks while scoring

two goals and assisting on two more.

Huegli, a junior, posted one assist in 17 games.

Costello saw action in eight games for the Jacks, coming away with two shots and one shot on goal.

Phillips played in two games and placed one shot on goal.

Miller and Klimavicz may also see action in the defensive zone this season.

Goalkeepers

Looking to continue her climb up the South Dakota State leaderboard is Elisa Stamatakis, who took over the starting goalkeeper position following the team's 0-1-1 start. She played 1,631 minutes in goal over the final 17 games, in which she recorded 60 saves. Her play has put her in position to break many Jackrabbit records, as she ranks third in victories in goal (11) and shutouts (8) and fifth in minutes played in goal.

"Elisa Stamatakis had a wonderful freshman campaign in goal," Wedemeyer said. "She gained valuable experience in her first year. However, due to some injuries, Kat Donovan and spring transfer Tina Ehrett got the majority of playing time this spring. It is a great group of talented goalkeepers that have all played in college contests."

Donovan saw action in one game last season, playing nearly 30 minutes without facing a shot on goal.

Ehrett comes to South Dakota State after spending one and one-half years at the University of Hawaii. She played in nine games as a freshman, posting a 3-5-1 record.

Schedule

South Dakota State will play a similar 20-game schedule, which includes one exhibition, for the 2011 season. The schedule includes three NCAA College Cup qualifiers from a year ago in Creighton, Summit League foe North Dakota State and Minnesota, who advanced to the quarterfinals of the Cup last season.

The Jackrabbits play nine Summit League conference games, including in-state rival South Dakota on Oct. 21 in Vermillion. The Jacks also face 11 non-conference opponents. The non-conference portion of the schedule features three Missouri Valley schools (Creighton, Drake and Northern Iowa), two from the Big 12 (Kansas and Iowa State), two Mid-American Conference members (Northern Illinois and Western Michigan), two Big 10 schools (Nebraska (ehx.) and Minnesota), one Horizon League member (Wisconsin-Green Bay) and one Great West school (North Dakota).

"As always, we attempt to play the hardest schedule in our non-conference season that we can," said Wedemeyer. "With quality teams like Nebraska, Creighton and Minnesota in our first nine days of the season, we need to start off strong and only get stronger as we head into The Summit League. The conference is always tough and the parity is something that forces you to take each game with the utmost focus and effort to get the results necessary to qualify for the conference tournament. It should be another exciting year for Jackrabbit Soccer."

Oakland, which finished the 2010 regular season at the top of the league, hosts the top-four teams in the league at The Summit League Soccer Championships Nov. 4 and Nov. 6 in Rochester, Mich.

The Jackrabbits open the season Aug. 12 at home in an exhibition game against Nebraska. Game time is set for 6 p.m. at Fishback Soccer Park. The regular season schedule begins a week later on Aug. 19 as the Jacks host the Creighton Bluejays.

Preseason Poll

South Dakota State received two first-place votes and finished with 70 points en route to a second-place tie with North Dakota State in The Summit League preseason poll.

The two first-place votes were second only to 2010 regular season champion Oakland, which received six first-place votes and is slated as the preseason favorite to win The Summit League Championship.

Lang Wedemeyer pictured with his children Caroline, Brooks, Isabella and Hunter, and wife Tabitha.

Excellence Starts Here

When starting a new program, many schools will allow for a grace period before evaluating the success of that program. South Dakota State University did not have to wait long before it was able to start compiling a list of accomplishments that its lone women's soccer coach, Lang Wedemeyer, has amassed in his 11-year tenure at South Dakota State University.

Wedemeyer built the Division II soccer program from the ground up and has led the Jackrabbits through a transition to Division I and a trip to the NCAA College, which included the first NCAA postseason victory for SDSU in the Division I era and the first time a Summit League team won a game at the College Cup.

From The Ground Up

Eleven years ago, Wedemeyer started at SDSU with the task of building an NCAA Division II women's soccer program. His first roster of 19 included just six women who had any collegiate experience, six freshmen, and a mix of seven others, including four that had played club soccer at SDSU in 1999. The roster was put together in just six months before the inexperienced Jackrabbit team took to the field for its inaugural season. In 2000, SDSU posted a 5-12-0 record, including a 1-8 record in the North Central Conference.

Youth Lead SDSU to Postseason Berth

The following season the Jacks welcomed a freshman class of 14 to its roster. Although the team was young in age, they were able to post the first winning season in SDSU history as Wedemeyer marched his second-year program into the North Central Conference's four-team postseason tournament with a 13-6-1 record. For his efforts, Wedemeyer was named the North Central Conference Coach of the Year following his 2001 campaign.

After finishing the 2002 season with a 10-8-0 record, SDSU missed the postseason, struggling with a 2-6-0 record through the conference portion of its schedule.

In 2003, the Jacks rebounded with their third consecutive winning season. After posting an 8-5-6 overall record and a 2-2-3 record in NCC action, the

Jacks were back in the postseason for the second time in three years. Behind the net-minding skills of senior Erin Miller, Wedemeyer's team posted the fifth-lowest goals-against average in Division II. Miller later became the first player in SDSU history to be named North Central Conference Player of the Year. She was also the first Jackrabbit soccer player to be named an All-American, earning second team honors.

SDSU Makes Transition to Division I

After leading the four-year-old program to a 36-31-7 record, South Dakota State decided to take its athletic department to the Division I level, leaving Wedemeyer with the task of recruiting players into a program that was not eligible for the NCAA postseason and was without a conference affiliation.

Wedemeyer accepted the challenge even though it came with its low points. The program returned to where it was just three years earlier, posting a 5-11-1 record during its first season at the Division I level. Although the wins were not rolling in as quickly anymore, SDSU was making solid strides. The program faced 10 new opponents during the 2004 season and saw 11 Division I opponents. Five games into the season, the Jacks earned their first Division I win with a victory over Western Illinois, 2-0, at the Diadora Classic in Omaha, Neb., on Sept. 12.

In 2005, the team recorded another five-win season, posting a 5-12-1 record in its second year of Division I play. The Jacks recorded Division I victories over Northern Iowa, Montana and Murray State, while also holding Big 10 member Minnesota scoreless on Sept. 11.

Wedemeyer Leads Jacks to First Title

South Dakota State joined the United Soccer Conference for its 2006 campaign. After starting the season with wins over Northern Iowa and Northern Illinois, the Jacks were holding their heads high with a 3-1-1 record through five games. However, SDSU struggled through the middle portion of its schedule. The Jacks went 0-7-1 in their next eight games, scoring just one goal during that stretch. Four of those losses were by scores of 1-0 but the Jacks knew the season was not over yet.

Head Coach Lang Wedemeyer

Old Dominion '94 • 12th season at South Dakota State • 100-82-24 overall record

Over the course of the final seven games of the season the Jacks posted a 5-1-1 record, which included a 2-0-1 record in the United Soccer Conference tournament to claim the USC championship. During SDSU's three tournament games, goalkeepers Nicole Lograsso and Jenn Davis combined for three straight shutouts.

The conference tournament title was the first for SDSU at any level and especially a nice reward for Wedemeyer after starting a program from scratch and leading it to a Division I conference title.

A New Home For SDSU Athletics, Soccer

The 2007 season marked the first year for SDSU as a member of The Summit League. In 2008, the Jacks became a full Division I member and eligible for NCAA postseason competition.

NCAA College Cup Contender

In 2008, Wedemeyer led the Jacks to a 15-5-1 record in their first year of eligibility for Division I postseason play. After winning the Summit League's regular season title with a 7-1 record, the Jacks went on to win the conference tournament, earning them a trip to the NCAA College Cup.

Wedemeyer's 14th-seeded team beat the nationally ranked Colorado Buffaloes 1-0 in the first round of the Cup. It marked the first NCAA postseason victory for SDSU and was the first time a team from the Summit League won a game at the College Cup.

The win garnered national attention in the soccer world and created a buzz throughout SDSU and the state. Wedemeyer was selected as the Soccerbuzz.com runner-up coach of the year and the South Dakota Sports Writers Women's College Coach of the Year. That season he coached six Summit League all-conference selections, two all-newcomer team selections, the Summit League's Defensive Player of the Year and an Academic All-American along with numerous other athletic and academic honors.

Last Season

In 2010, South Dakota State secured their fourth straight top-3 finish, third straight in The Summit League. The Jacks posted an 11-3-5 record and finished in a third-place tie, earning a spot in the conference tournament. The tiebreaker granted SDSU the third seed and a semifinal game with No. 2-seed North Dakota State. The game produced a 1-1 tie, going through both overtime periods without a change in score. North Dakota State claimed the advantage, winning the shootout 4-3 and ending the Jacks' season.

Outside of South Dakota State

In addition to starting the women's soccer program at SDSU, Wedemeyer has also been involved in other aspects of the South Dakota and national soccer community. He is a National Soccer Coaches Association of America regional director, overseeing all the coaching certification in South Dakota, North Dakota, Minnesota, Nebraska, Wyoming and Colorado.

Wedemeyer is currently a NSCAA National Staff Coach and Regional Technical Director. He has traveled throughout the country conducting coaching certification and running clinics over the past ten years.

In the summer of 2002, Wedemeyer added another title to his list of coaching credentials as he served as a coach for the Olympic Development Program Region II teams in the 1987, 1990 and 1993 age group teams, taking them on trips to Germany and Holland. In March 2010, he took the 1993 team to the Women's International Algarve Tournament in Portugal. The team beat Ireland's U17 National team, Sevilla's women's professional team and the women's professional team from Benfica, Portugal. This same team beat Costa Rica's U20 National team, which played in the U20 2010 World Cup in Germany.

Prior to SDSU

Wedemeyer joined the SDSU staff in 2000 as the first coach in women's soccer history. Before taking his current post, Wedemeyer was the director of coaching and women's coordinator for the Roanoke Valley Youth Soccer Club. His three-year tenure as the club's assistant executive director included overseeing all 28 teams and their coaches.

One of the youngest coaches in the United States to obtain all levels of coaching certification, Wedemeyer holds nine professional soccer coaching licenses, including a United States Soccer Federation "A" license and the NSCAA Premier diploma.

While working on his master's degree at Old Dominion, Wedemeyer served as an assistant coach for the men's soccer program.

Playing Career

Wedemeyer began his collegiate playing career at Virginia Tech University, where he was voted the 'Hokies best defensive player two years in a row. He later transferred to Old Dominion University (Va.), where he captained the team and earned second-team academic All-America honors in 1994.

Wedemeyer also has extensive professional playing experience in the United Soccer Leagues. He played three years for his hometown Roanoke Wrath before playing with the Sioux Falls Spitfire at the beginning of the team's first season in 2001.

Assistant Coaches

Brock Thompson

University of Mary '00 • Assistant Coach • Fourth Season

In his first season at SDSU, assistant coach Brock Thompson helped guide the Jackrabbits to a 15-5-1 record, including a Summit League regular season and conference tournament championships and a second-round appearance in the NCAA College Cup. After earning the league's automatic bid, the Jacks upset No. 14 and fourth-seeded Colorado Buffaloes 1-0, before falling in the second round to Minnesota.

Thompson joined Lang Wedemeyer's coaching staff in 2008 after compiling a 61-36-7 career record over three seasons at Mary (2001-03) and three years at North Dakota (2005-07). He led Mary to NAIA Region III championships in 2002 and 2003 and berths in the NAIA National Tournament.

In his first season at UND, Thompson was named North Central Conference Coach of the Year after leading his squad to a 12-5-1 record and a berth in the 2005 NCAA Division II Tournament. He stepped down from his coaching post following the 2007 season to become UND's director of compliance.

A native of Blair, Neb., Thompson was a three-time team most valuable player for the Mary men's soccer team, earning honorable mention All-America honors as a senior. He stayed on as assistant men's soccer coach until being named women's soccer head coach in 2001. The 2002 National Soccer Coaches Association of America Midwest Senior College Coach of the Year, Thompson left Mary in 2004 to become an assistant coach at Indiana State, while pursuing a master's degree in sport management.

Thompson also has extensive coaching experience at the club and high school Olympic ranks. He won three state titles as head girls' soccer coach at Century High School in Bismarck, N.D., from 2000-04 and was director of coaching for North Dakota Youth Soccer from 2002-04. In addition, he served as regional staff coach for the Region II Olympic Development Program from 2003-05 and 2009.

In October of 2010, Thompson was inducted into the Marauders Hall of Fame. Thompson was team captain of the University of Mary's first men's soccer team.

Erin Kasmarik

South Dakota State '08 • Graduate Assistant • Second Season

Erin Kasmarik returns to the South Dakota State University coaching staff for a second season as a graduate assistant.

"Kaz is one of the most sophisticated players I ever coached. She is a soccer junkie and has a great mind for the game," said head coach Lang Wedemeyer.

During her senior season in 2008, Kasmarik was a part of the Jacks first Division I postseason run to the NCAA College Cup where they upset Colorado in the first round. She led the Jacks in points throughout the season with 24, including a team-high 10 goals.

A native of Coon Rapids, Minn., Kasmarik was a first-team all Summit League selection in 2008. She led the league with six game-winning goals, tied for the league lead in goals and ranked second in points.

Her career at SDSU tallied 39 points on 15 goals and 9 assists in 75 games played for the Jackrabbits. She owns spots on 11 career top-10 lists including second for games played (75), ninth place for career points (39), tied for ninth in career assists (9), tied for eighth in goals scored (15). She also sits on seven season top-10 lists including sixth in scoring (24) and fifth in goals (10).

Also excelling in the classroom, Kasmarik was named to the ESPN The Magazine Women's Soccer Academic All-America Second Team and the Summit League Commissioner's List of Academic Excellence. She was also honored with the Academic All-Summit League award and as an NSCAA Academic Scholar Athlete.

A sport science graduate student at SDSU, Kasmarik is scheduled to graduate in the spring of 2012.

Kaitlin Justice

South Dakota State University • Student Assistant • First Season

Kaitlin Justice joins the South Dakota State University coaching staff as a student assistant.

During her senior season in 2010, Justice led the Jacks in assists with six, finished second with 14 points and third in goals with four. She scored the lone goal in the 1-1 tie with North Dakota State in the semi-finals of the Summit League Championship.

"Kaitlin had a tremendous playing career and matured into a great leader for our program," head coach Lang Wedemeyer said. "It will be a big benefit to our team to have her around another year."

A native of Omaha, Neb., Justice was named to the All-Summit League First Team twice (2009 and 2010), as well as the Summit League All-Tournament Team in each of those years.

Her career at SDSU tallied 41 points, making her seventh on the career scoring leaderboard. She also made the leaderboards in four other statistical categories including tied for fifth in shot attempts (141) and shots on goal (57), seventh in goals scored (17), and tied for ninth in assists (9).

Justice is working towards a degree in dietetics.

SDSU Strength & Conditioning

Assistant AD - Strength & Conditioning: Nathan Moe

Family: Wife: Colleen – Son: Zachary – Daughter: Kylie

Education: B.S. Exercise Science: Moorhead State, Minn., 1996
MEd. Exercise Physiology: University of Texas, 1999

Experience: Asst. AD-Strength & Conditioning: South Dakota State, 2011-Present
Head Strength & Conditioning Coach: South Dakota State, 2005-11
Head Strength & Conditioning Coach: Eastern Illinois, 2002-05
Asst. Strength & Conditioning Coach: Rice University, 1999-2002
Strength & Conditioning Graduate Asst.: University of Texas, 1997-99

Nathan Moe joined the South Dakota State staff as the head strength and conditioning coach in August 2005 and served in that position until being promoted to assistant athletic director for strength and conditioning in May 2011.

Moe works directly with the Jackrabbit football, volleyball, baseball and softball teams, and he also oversees the design and implementation of the year-round strength and conditioning programs for all of the Jackrabbits 21 varsity sports.

Moe came to South Dakota State after heading the strength and conditioning program at Eastern Illinois University for three years, where he oversaw the design and implementation of strength and conditioning programs for all 22 of the Panthers varsity sports.

Before his days with the Panthers in Charleston, Ill., Moe worked as the assistant strength and conditioning coach at Rice University in Houston, Texas, where he worked with the Owls football strength program, while being directly responsible for men's and women's track, men's and women's tennis, women's swimming, women's

soccer and men's golf.

From 1997 through the spring of 1999, Moe worked as a graduate assistant in the strength and conditioning program at the University of Texas in Austin, where he earned a MEd. in Exercise Physiology. He also worked in private business in physical fitness in Austin and Houston, Texas and in Fargo, N.D.

A Certified Strength and Conditioning Specialist and a USA Weightlifting Certified Club Coach, Moe also maintains certifications in the National Strength and Conditioning Association and the Collegiate Strength and Conditioning Coaches Association.

A Minnesota native, Moe graduated from Moorhead State University in Moorhead, Minn., in 1996, with a Bachelor of Science Degree in Exercise Science. He also earned all-conference honors as a linebacker for the 1995 Northern Sun Intercollegiate Conference champion Dragons.

Moe and his wife Colleen live in Brookings with their son, Zachary and daughter, Kylie.

Assistant Strength & Conditioning Coach: Brad Schmidt

Education: B.S. Exercise Science: Iowa State, 2008
M.S. HPER: South Dakota State, 2010

Experience: Asst. Strength & Conditioning Coach: South Dakota State, 2010-Present
Strength & Conditioning Graduate Asst.: South Dakota State, 2008-10
Strength & Conditioning Intern: U.S. Air Force Academy, Jan.-May, 2008
Strength & Conditioning Intern: Iowa State, Jan. 2006-Dec. 2007
Head Strength & Conditioning Coach: Ames H.S., Aug.-Dec. 2007

Brad Schmidt joined the Jackrabbit staff in August 2010 as the assistant strength and conditioning coach at South Dakota State, where he oversees the development and implementation for all training aspects of women's basketball, women's soccer, men's and women's track and field, men's and women's cross country and wrestling.

Schmidt joined the Jackrabbits full-time after spending two years as a strength and conditioning graduate assistant at SDSU.

During his two years as a graduate assistant, Schmidt designed and implemented programs for Jackrabbit women's soccer, men's and women's track and field, men's and women's cross country, men's and women's swimming and diving and equestrian.

Before coming to Brookings, Schmidt interned at the United States Air Force Academy in Colorado Springs, Colo., and at Iowa State University in his hometown of Ames, Iowa.

Schmidt earned a Bachelor of Science degree in Exercise Science from Iowa State University in 2008 and a Master of Science degree in Health, Physical Education and Recreation from SDSU in 2010.

In the process, he became a Certified Strength and Conditioning Specialist (CSCS) through the National

Strength and Conditioning Association (NSCA) and a Certified Level I Sports Performance Coach through USA Weightlifting. He also maintains a membership in the Collegiate Strength and Conditioning Coaches Association.

Graduate Assistants/Interns

Eric Adolph

Andrew Stocks

SDSU Sports Medicine

Assistant AD - Sports Medicine: Owen Stanley

Family: Wife: Erin

Education: B.S. Athletic Training: West Chester (Penn.), 2002
M.S. Kinesiology & Health Promotion: Kentucky, 2005

Experience: Assistant-AD for Sports Medicine: South Dakota State, 2011-present
Director of Sports Medicine: South Dakota State, 2009-11
Asst. Athletic Trainer: Kansas City Chiefs, 2007-09
Asst. Athletic Trainer/Head Football Trainer: Northern Iowa, 2005-07

Owen Stanley brought a wealth of professional collegiate experience with him when he joined the South Dakota State staff in July 2009, where he oversees an athletic training staff that includes five assistant trainers and five graduate assistants.

A native of Macungie, Pa., Stanley earned a bachelor's degree in athletic training from West Chester University (Pa.) in 2002. He went on to earn a master's degree in kinesiology and health promotion at the University of Kentucky in 2005, while serving as a graduate assistant athletic trainer for the Wildcats' football and baseball teams.

Upon graduating from Kentucky, Stanley joined the athletic training staff at the University of Northern Iowa in 2005, working as the assistant director of athletic training services and head football athletic trainer.

In 2007, Stanley accepted the position of assistant athletic trainer for the National Football League's Kansas City Chiefs, where he worked until joining the Jackrabbits.

Stanley's other professional experience includes internships with the NFL's New York Jets and the Philadelphia Wings of the Professional Indoor Lacrosse league.

In addition to his athletic training experience, Stanley gave presentations at the National Athletic Trainers' Association Annual Meeting and the Southeast Athletic Trainers' Association Symposium. He also chaired the Young Professionals Committee of the Missouri Athletic Trainers Association and served as an E-Mentor for NATA.

Assistant Athletic Trainer: Ben Heinze

Family: Wife: Tara – Son: Andrew

Education: B.S. Exercise Science: Winona State University (Minn.), 1998
M.S. Athletic Training: South Dakota State University, 2000

Experience: Assistant Athletic Trainer: South Dakota State, 2003-present
Head Athletic Trainer: Franklin College (Ind.), 2000-03
Athletic Training Clinic: 2000-03

Ben Heinze is in his first season working as an athletic trainer with the South Dakota State University soccer team and oversees the sports medicine facilities in the Dykhouse Student-Athlete Center.

A native of La Crescent, Minn., he earned a bachelor's degree in exercise science from Winona State University (Minn.) in 1998. He moved on to SDSU, where he added a master's degree in athletic training in 2000.

After completing his master's degree, Heinze spent two and a half years as the head athletic trainer at Franklin College (Ind.) and worked at an athletic training clinic. He returned to South Dakota State during the 2003-04 school year, working primarily with the Jackrabbit women's basketball program.

For the past five years, Heinze has worked closely with the SDSU football team. He now transitions to working with the Jackrabbit soccer program.

← school record

Left: Kellyn Farrell led the Jacks in scoring in 2007 and ranked second in 2008. Farrell ended her career first in assists and shots on goal while ranking second in shots and fourth in total points. Farrell also scored the game winning goal against Colorado in the NCAA College Cup.

Right: Jennifer Briggs played only three years for the Jacks. In that time she ranks first all-time in points, goals, assists, shots attempted and second in shots on goal.

← school record

Note: min. 33% of team minutes played to qualify for save percentage and goals-against average

Left: Brittany Frazier racked up 26 wins for the Jacks from 2001-04. She ranks second all-time in shutouts, saves, minutes played and wins for SDSU.

Right: Nicole Lograsso led the Jacks to a school record 15 wins and 10 shutouts during the 2008 season while also ranking at the top of nearly every major statistical goalkeeping category at SDSU for her career.

ALL-AMERICAN — Erin Miller transferred to South Dakota State University following a three-year playing career at the University of Nebraska. During her one season at SDSU, Miller posted a 8-5-6 record and a 0.51 goals-against average en route to becoming the first All-American in the programs history. Miller was also named the co-Most Valuable Player of the North Central Conference in 2003.

THE SUMMIT LEAGUE

Celebrating its 30th season in Division I athletics

"Ascending" and "improving" are adjectives frequently used in media coverage of The Summit League as it continues a renaissance on the playing field and in the classroom.

As The Summit League celebrates its 30th anniversary season as an NCAA Division I athletics conference, the level of performance and achievement among the 11 member institutions and over 3,000 student-athletes in 19 championship sports continues to grow.

Since 2007, The Summit League has produced 39 All-Americans and 28 Academic All-America selections along with three NCAA Champions, two NBA Draft choices and one Olympic Silver medalist.

Headlining The Summit League's most recent history were the additions of the University of South Dakota and the University of Nebraska Omaha to its membership. USD joined in 2009 and the 2011-12 academic year marks its first year of full league competition. UNO's membership took effect on July 1, 2011 and it will begin league competition in 2012-13.

The Summit League's visibility continues to expand on several fronts. The 2011 Baseball Championship drew a record 5,128 fans, topping the previous high by almost 1,500. Another successful Summit League Basketball Championship totaled a combined attendance of over 32,000 which ranked as the second-highest figure in league history while the men's tournament was one of just six outside the traditional "power conferences" to average 4,400 or better per session.

Television exposure also increased with the broadcasts of four Summit League sport championships in 2010-11. For the second consecutive season, all 14 men's and women's basketball tournament games were televised live, including the women's championship on ESPNU and the men's on ESPN2. Furthermore, The Summit League Outdoor Track and Field Championships were televised for the first time and the league's entire Baseball Tournament was carried live, marking another first.

The national reach of The Summit League was furthered when three member institutions hosted 2010-11 NCAA Championship events. IUPUI was a quad-host for the Women's Basketball Final Four, UMKC co-hosted the Volleyball Championship and Oakland hosted the Great Lakes Cross Country Regional Championship. In 2013, Oakland will host the Men's Basketball Second and Third Rounds and IUPUI will serve as co-host for a Men's Basketball Regional.

In men's basketball, The Summit League ranked No. 18 in the Sagarin Ratings, placing four teams among the top 150 and six in the top 200. In the Mid-Major Top 25 poll, league champion Oakland ranked No. 5 with two first-place votes entering the NCAA Tournament, putting them ahead of two Final Four participants, including the national runner-up. The Summit League set a league-record by playing 16 games against AP nationally-ranked teams, the highest total among mid-majors, including seven top-10 opponents, highlighted by Oakland's win at then-No. 7 Tennessee.

Women's basketball joined the men in sending multiple teams to the postseason with three teams advancing for the second-straight year, including Oral Roberts, which reached the WNIT's round of 16 to match the league's deepest run in that tournament. Summit League teams combined to record four victories over "power six" conference foes during the season.

Individually on the hardwood, Oakland's Keith Benson was selected in the second round of the 2011 NBA Draft by the Atlanta Hawks and Oral Roberts' Steven Roundtree was named Mid-Major Freshman of the Year by CollegeInsider.com. On the women's side, ORU's Kevi Luper became the first player in NCAA history to lead the nation in both points per game and steals per game in the same season.

Several teams continued impressive championship streaks within the league in 2010-11. Oral Roberts, which finished the season nationally-ranked, won its 14th-straight baseball title, tying for the second-longest streak in NCAA history. Oakland captured its 12th-consecutive men's and women's swimming and diving titles while North Dakota State won its fourth-straight men's and women's indoor track and field championships and its third softball crown in a row. South Dakota State became the first women's basketball team to win three consecutive league championships.

The Summit League enjoyed a successful track and field season with eight All-Americans, including six at the NCAA Outdoor Championships. Oral Roberts' Jack Whitt finished as runner-up in the pole vault at the Outdoor Championships after placing third indoors. North Dakota State's Whitney Carlson became the first female athlete in league history to earn All-America honors in two events at both the NCAA Indoor and Outdoor Championships during the same year.

Two Summit League student-athletes received the prestigious NCAA Elite 88 Award, given to the student-athlete with the highest cumulative grade-point average participating at the finals site for each of the NCAA championships. Amy Anderson (women's golf) and Carlson (outdoor track and field), both from North Dakota State, the lone non-FBS public university to have multiple recipients, were presented with the honor and added All-America honors for their athletic performances.

Anderson led the league's individual accomplishments, placing 12th at the NCAA Women's Golf Championships, the highest finish ever by a Summit League player, and competing as an amateur in the U.S. Women's Open. IPFW's Amy Recht claimed her fourth consecutive Women's Tennis Player of the Year honor and became the first Summit League athlete to win the sport's top award in each season of eligibility.

Academically, six Summit League student-athletes received Academic All-America honors and six teams were bestowed with the NCAA Public Recognition Award, an honor given to teams that have a Division I Academic Progress Rate (APR) in the top 10 percent of all squads in their respective sports.

The accomplishments of 2010-11 came on the heels of the exceptional success the previous two years. In 2009-10, IUPUI's Chen Ni became The Summit League's first female NCAA Champion when she took first in the platform dive. Oakland's Keith Benson was named the Lou Henson Award winner as the nation's Mid-Major Player of the Year.

The preceding year, Oral Roberts track star Andretti Bain won a silver medal at the 2008 Beijing Olympics as a member of the

One of the Summit League's most iconic moments came when Valparaiso's Bryce Drew hit "the shot", a game-winning three-pointer at the buzzer, to top Mississippi in the first round of the 1998 NCAA Tournament. Valpo's story captivated the nation as they became the league's second team to reach the "Sweet 16."

Bahamas' 4x400-meter relay team after winning both the NCAA Indoor and Outdoor 400-meter titles and IUPUI's George Hill became The Summit League's second NBA first round draft pick.

Originally formed in 1982 as the Association of Mid-Continent Universities and later known as the Mid-Continent Conference, The Summit League is in its fifth year of rebranding that followed its 25th anniversary and coincided with the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all league student-athletes. Included in the plan was the league's new name, the creation of a new image and the addition of three member institutions.

The Summit League has a combined enrollment of over 135,000 at 11 universities, five of which are located in the top 76 U.S. media markets (Detroit, Indianapolis, Kansas City, Tulsa and Omaha). Member institutions include: IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University-Indianapolis), UMKC (University of Missouri-Kansas City), the University of Nebraska Omaha (which begins league competition in 2012-13), North Dakota State University, Oakland University, Oral Roberts University, the University of South Dakota (in its first year as a full member), South Dakota State University, Southern Utah University and Western Illinois University. Eastern Illinois University is an associate member in swimming and diving and men's soccer.

These member institutions pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming and diving, men's and women's indoor track and field, men's and women's outdoor track and field, men's and women's tennis, and volleyball. The league champion receives an automatic bid to the NCAA Tournament in all applicable sports.

Since its inception in 1982, The Summit League has had several transcendent moments on the national stage. In 1986, Cleveland State upset third-seeded Indiana in the first round of the NCAA Men's Basketball Tournament on its way to a berth in the Sweet 16. A decade later, Valparaiso captured the nation's attention when Bryce Drew hit "the shot" to defeat No. 4 seed Mississippi in an NCAA first-round game and spark its Sweet 16 run.

More recently, Oral Roberts' baseball program finished the 2004 campaign with a national-ranking and became the first Summit League school to reach an NCAA Super Regional in 2006. Three years later, North Dakota State's 2009 softball team became the first League member to win an NCAA regional and advance to the Super Regional round. During the 2008-09 basketball season, South Dakota State's women's team was nationally-ranked throughout the year and capped its season with an NCAA Tournament first round victory.

The League has produced five NCAA champions, four Olympic athletes and several All-Americans in the sports of track and field, swimming and diving and cross country. Numerous professional athletes and several draft choices have come directly from The Summit League, including three Major League Baseball first round picks, a pair of NBA first rounders, and one WNBA selection. Former Summit Leaguer Kevin Duckworth (NBA) was a two-time all-star during his professional career.

Recent and historical success coupled with an increased growth among its membership base gives The Summit League a promising future on the landscape of college athletics.

SUMMIT LEAGUE NOTABLES

The Summit League has produced the following notable student-athletes during its 30 seasons at the Division I level ...

Brian Anderson (Baseball): No. 3 pick in 1993 Draft, World Series Champion
 Andretti Bain (Track & Field): 2-time NCAA Champion, Olympic Silver Medalist
 Tony Bennett (Basketball): NBA Draft pick, head coach at Virginia
 Liza Brown (Softball): 1st Team All-American, 2-time All-America selection
 Bryce Drew (Basketball): NBA Draft 1st Round pick, head coach at Valparaiso
 Kevin Duckworth: 2-time NBA All-Star, NBA Most Improved Player Award
 George Hill (Basketball): NBA Draft 1st Round pick
 Jim Maton (Track & Field): NCAA Champion
 Bill Mueller (Baseball): World Series and American League batting champion
 Prince Mumba (Track & Field): 2-time NCAA runner-up, Olympian
 Chen Ni (Swimming & Diving): NCAA Champion
 Anita Rapp (Soccer): 1st Team All-American, Olympic Gold Medalist
 Tony Sanneh (Soccer): 2nd Team All-American, U.S. National Team
 Dan Steele (Track & Field): NCAA Champion, Olympic Bronze Medalist (bobsled)

South Dakota State University

Founded 1881 • Brookings, S.D.

SOUTH DAKOTA
STATE UNIVERSITY

South Dakota State University

You Can Go Anywhere From Here

With a record enrollment of 12,816 students in the fall of 2011, South Dakota State remains the state's largest institution of higher learning.

SDSU Early History

Located in Brookings, the Territorial Legislative Assembly authorized SDSU in 1881 to serve as the state's land grant institution. Territorial Council member John O'Brien Scobey managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school did open in the fall of 1884 because the president, George Lilley, advanced \$500 — one-third of his salary — to finish three rooms in the new Central Building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus for a decade and a half.

During the first year of operation, the college only held preparatory classes. College classes started in 1885 with five teachers, 17 freshman and 61 preparatory students.

Growth stayed slow and erratic for many years, but by the turn of the 20th century, 242 students enrolled and by 1990, SDSU enrollment grew to more than 9,000 students.

Colleges Established

SDSU granted nearly 70,000 degrees since its charter in 1881.

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political & domestic economy and music.

By 1907, the year the name of the institution changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus.

Reorganization into the five divisions that formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923.

In 1964, when "State College" became South Dakota State University, the school included six colleges. Now, students can earn degrees offered through eight colleges.

Students can choose from more than 200 majors, minors and options at SDSU with more than 2,500 different course offerings.

Master's degrees can be earned in more than 30 areas, with doctorates available in eight fields.

SDSU also offers degree programs through the South Dakota Public Universities and Research Center in Sioux Falls. The Office of Academic Affairs and Outreach coordinates evening, RDTN, Internet and off-campus courses.

The North Central Association of Colleges and Secondary Schools accredits SDSU, while numerous departments on campus hold accreditation from various other agencies.

SDSU celebrated its 125th anniversary in 2006, a yearlong event that culminated with the 2006 Hobo Day football game.

Over those 125 years, SDSU grew from a campus of 80 acres in 1881 to a 271-acre campus with facilities worth more than \$220 million.

The university owns or leases another 15,000 acres for research throughout the state.

The Printing and Journalism Building — now named

AGGIE SCHOOL CLOCK TOWER—The clock tower sits in front of the Tompkins Alumni Center on the west side of campus. The alumni center is host to many university and alumni functions throughout the year.

The **Coughlin Campanile** (left) is considered South Dakota State University's most recognizable landmark. The campanile's cornerstone was laid on June 10, 1929, by Charles Coughlin and its chimes have called students to classes with its famous Westminster peals ever since.

Anson and Ada May Yeager Hall — underwent a \$2.1 million expansion and renovation project.

Other recent campus construction projects include a \$7 million expansion to Crothers Engineering Hall, the renovation of Solberg Hall and the building of a \$9 million performing arts center, which opened in the fall of 2002.

A new residence hall (Caldwell Hall) and the University Student Union expansion and renovation opened in the fall of 2005, and the Enterprise Institute, located on the southwest corner of campus opened in 2004.

In 2005, SDSU spent more than \$3 million to install new state of the art scoreboards in Frost Arena and at Coughlin Alumni Stadium.

Agricultural Research

The university reaches all corners of the state through the Cooperative Extension Service and the Agricultural Experiment Station, offering service to improve the quality of rural life.

SDSU also sponsors the Center for Innovation, Technology and Entrepreneurship; Engineering Experiment Station, Office of Remote Sensing; Water Resources Institute; Engineering and Environmental Research Center; Animal Disease Research and Diagnostic Laboratory; and

South Dakota State University

You Can Go Anywhere From Here

Northern Grain Insect Research Laboratory. These units help strengthen the university's growing commitment to research and support of state and local economic development efforts. The Northern Great Plains Biostress Laboratory, dedicated in 1993, houses scientists who focus on research aimed at developing new technologies to protect crops and livestock.

SDSU is also one of just five universities to serve as a regional center for the Sun Grant Initiative, which is a concept to solve America's energy needs and revitalize rural communities with Land-Grant university research, education and Extension programs on renewable energy and bio-based non-food industries.

The Harding Distinguished Lecture Series, the F.O. Butler Lectures, the Lusk Lecture and the Amdahl, Schultz-Werth and Griffiths endowments all supplement classroom instruction.

Students can also choose from more than 100 clubs and organizations on campus.

Museums & Attractions

The educational opportunities do not end in the classroom or laboratory, as South Dakota State University houses several facilities, including museums and gardens.

Dedicated in 1970, and expanded in 2000, the South Dakota Federation of Women's Club first envisioned the South Dakota Art Museum in 1949.

The museum's collections include early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens.

The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota.

The 70-acre McCrory Gardens and South Dakota Arboretum, located south and east of campus, provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation.

It is also recognized as an All-American

RESEARCH OPPORTUNITIES—SDSU has the highest involvement of undergraduates in research of any South Dakota public university. The university is large enough to offer the opportunities, yet small enough to foster student-faculty learning opportunities.

Display Garden, one of only 13 in the nation. In 1993 McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers.

Since 1985, private contributions made many new gardens possible including the Rose, Rock, Centennial Prairie, Iris, True Lily, Mum, Native Prairie Collection, Oak Tree Memorial Garden, All-Red Specialty Garden, Peony Garden, Shrub Rose Collection, and Children's Maze.

In August 1994, McCrory Gardens dedicated the Mickelson Grove Memorial in honor of former governor and Brookings resident George S. Mickelson.

In 1982, they dedicated the area north of the formal garden to the planting and testing of ornamental trees and shrubs. The 45-acre site was designated the South Dakota State Arboretum in 1988.

The arboretum's purpose is to test woody plants needed to protect agricultural fields and livestock from the region's harsh environment, to provide hardy trees to shade our towns and cities, and to test ornamental shrubs for both

durability and beauty.

SDSU Horticulture, Forestry, Landscape and Parks Department manage the arboretum and gardens.

McCrory Gardens continues to develop more gardens, tree and shrub collections.

The Coughlin Campanile

South Dakota State's most recognizable landmark may be the 165-foot Coughlin Campanile, the state's largest chimes tower. A climb of 179 steps leads to a panoramic view of the city.

1909 Engineering graduate Charles Coughlin, who later went on to become head of the Briggs & Stratton Corporation, donated the statuesque structure on the west end of campus at a cost of \$65,000.

Coughlin laid the campanile's cornerstone on June 10, 1929. Since then, its chimes call students to classes with the famous Westminster peals.

An alumni-sponsored project to restore the campanile was completed in the summer of 2001.

Named after a former SDSU President, The Hilton M. Briggs Library, the state's largest, opened in 1977 and joined South Dakota's statewide automated library network in 1988. Through the library, users can access holdings from all 10 of the state's libraries, including official documents and more than 1 million other holdings at Briggs.

Adjacent to the campanile, Coolidge-Sylvan Theatre provides a restful, green haven for students since its dedication by President Calvin Coolidge in September 1927.

Over the years the outdoor amphitheater hosted concerts, graduations and inaugurations for university presidents.

Woodbine Cottage, the home of the university president, is a charming example of Queen Anne architecture. Built in 1887 by South Dakota Agricultural College's second president, Dr. Lewis McLouth, the home is crowned by multiple rooflines. The house also served as a women's dormitory, music hall and infirmary.

COOLIDGE-SYLVAN THEATRE—The Sylvan Theatre, located on the southwest corner of campus, is an outdoor amphitheater that has been the site of concerts, graduations and inaugurations of university presidents since its dedication by President Calvin Coolidge in September 1927.

SOUTH DAKOTA ART MUSEUM—The museum is home to several collections, including early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life, and the exclusive Vera Way Marghab linens. The South Dakota Art Museum also has a variety of other exhibits throughout the year.

South Dakota State University

The Jackrabbits

Two theories exist as to how and why SDSU's athletic teams became known as the "Jackrabbits."

Most believe that the name "Jackrabbits" came from a story and cartoon sketch that appeared in a Minneapolis newspaper following a 1905 football game between the University of Minnesota and South Dakota State College. Many believe that a reporter for the newspaper, knowing of the preponderance of jackrabbits in the Brookings area, wrote that the SDSC team was as quick as jackrabbits. Many people believe that the school adopted the Jackrabbits as its official nickname from that beginning.

The other theory about the origin of the nickname came in The Jackrabbit, SDSU's yearbook. A poem in the 1907 yearbook puts forth the idea that the yearbook is called The Jackrabbit because a group of juniors wished to immortalize themselves by changing the name of the yearbook. Athletic teams followed suit, adopting the nickname.

Prior to the adoption of the Jackrabbit nickname, fans knew the school athletic teams as the Barn Yard Cadets as SDSU was known as South Dakota State College of Agriculture and Mechanic Arts in 1907.

The Jackrabbit can run at speeds of 30-to-35 miles per hour, with bursts up to 45, making it the second fastest animal in North America, second only to the pronghorn antelope, which can run at speeds up to 60 miles per hour.

Jackrabbits are, properly speaking, not rabbits but hares, with longer feet and longer ears than rabbits. Most hares live in open country, whereas rabbits - like cottontails - live in brushy habitats.

Jackrabbits can grow up to two feet long, weigh from six to nine pounds, with ears up to eight inches long. Hares are vegetarians, eating tender herbs in summer, and woody twigs and bark in the winter.

MEMORIAL PARK—Memorial Park, located between DuPuy Military Hall and Briggs Library in the center of campus, honors SDSU students who have served in the armed forces, including Congressional Medal of Honor recipients Capt. Willibald Bianchi and Col. Leo Thorsness. The park was dedicated in the fall of 2000.

WOODBINE COTTAGE—Built in 1887 by SDSU's second president, Dr. Lewis McLouth, Woodbine Cottage serves as the home of the university president. Over the years, the house has also served as a women's dormitory, music hall and infirmary.

Brookings, South Dakota

Named after W.W. Brookings, who came to the area in 1857. That winter, his legs froze badly enough to force doctors to amputate them. Undaunted, Brookings stayed and eventually became president of the territorial council and a judge in the state supreme court. In honor of his support of railroad construction, and possibly because of his stalwart nature, South Dakota's first locomotive was named the "Judge Brookings."

Situated at the intersection of U.S. Highway 14 and Interstate 29, about 20 miles west of the Minnesota border and 50 miles north of Sioux Falls, the Brookings community of about 18,500 people continues to grow. The community also houses several recognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M medical products), Larson Manufacturing (doors and windows), and Daktronics, a leading manufacturer of scoreboards and display systems.

MCCRORY GARDENS—The 70-acre McCrorry Gardens and South Dakota Arboretum are located south and east of SDSU's campus. The gardens provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation.

HILTON M. BRIGGS LIBRARY—Shown above is the entrance to South Dakota's largest library, which was opened in 1977 and later joined the state's automated library network in 1988. Through the library, users have access to holdings from all 10 of South Dakota's libraries, including official documents and more than 1 million other holdings in Briggs.

SOUTH DAKOTA AGRICULTURAL HERITAGE MUSEUM—Originally constructed as the Stock Judging Pavilion, the South Dakota Agricultural Heritage Museum is now home to exhibits that record and preserve the agrarian heritage of the state.

SDSU Women's Soccer Media Outlets

Media Information

Credentials - All requests for media credentials for SDSU home soccer games should be directed to the South Dakota State sports information department at least 24 hours prior to the event.

Credentials will be mailed if requests are received a week or more in advance. Otherwise, credentials may be picked up at the Jackrabbit Ticket Office inside the Stanley J. Marshall HPER Center weekdays from 9 a.m. to 5 p.m., or at the Fishback Soccer Park ticket table one hour prior to the start of the event.

Due to limited seating, only working media will be allowed access on a first-come, first-served basis.

The following guidelines apply specifically to Internet sites:

- No more than two people working for the official Web site of the opponent and/or its official conference site will be issued credentials.
- Web sites whose content centers around message boards and chat rooms where users can post anonymous information and/or rumors are ineligible for any consideration for credentials or access.
- Credentials will not be granted to any agency operating sites that are in any way affiliated with gambling, or to freelance or fan-based sites that are not affiliated with a legitimate news-gathering organization.

The final decision for credentials remains at the sole discretion of the South Dakota State sports information department.

Statistics - The South Dakota State sports information office will keep official statistics and will distribute final statistics to teams and members of the media within 15 minutes after the conclusion of a game.

On the Web - The latest Jackrabbit news and updates can be viewed on the Internet at www.GoJacks.com, the official site of South Dakota State University athletics. Box scores, statistics and a game recap will be posted within an hour following the conclusion of a contest.

Interview Policy - Outside of athletics events, interviews with South Dakota State University student-athletes must be arranged 24 hours in advance Monday through Thursday by contacting the SDSU sports information office or the head coach of the sport involved. Please do not contact the student-athlete directly without prior approval — phone numbers of SDSU student-athletes will not be released.

Media members should understand that all return calls will be made collect or via a toll-free number, unless the student-athlete does the interview from the sports information office. Jackrabbit student-athletes will not be available for interviews prior to a contest the day of a game, but will be available for post-game interviews 10 minutes after the conclusion of contests by contacting a member of the sports information staff or coaching staff.

Contact Information

Media inquiries for Jackrabbit soccer should be directed to Jacob Dreyer, graduate assistant, sports information.

South Dakota State University

Administration

David Chicoine

President, South Dakota State University
South Dakota State University '69

Dr. David L. Chicoine became the 19th president of South Dakota State University on January 1, 2007. He is the third alumnus to serve as president of the institution.

Dr. Chicoine has over 30 years of experience in higher education with the University of Illinois. He is a nationally recognized economist, specializing in public finance, taxation, and rural economics. His higher education administrative experience includes service as Head of the Department of Agricultural Economics and Dean of the College of Agriculture, Consumer and Environmental Sciences, at the University of Illinois at Urbana-Champaign. Serving most recently as Vice President for Technology and Economic Development for the University of Illinois system and interim Vice President for Academic Affairs, Chicoine started his career as an Extension economist and specialist with the University of Illinois Cooperative Extension Service.

As vice president at the University of Illinois, he restructured the university's technology licensing offices, reaching new milestones each year; launched the university's early stage capital and business development services company, Illinois VENTURES, LLC, that supported start-up projects, securing special state and university funding for operations and pre-seed investing and facilitated the creation of the \$26.5 million early stage Illinois Emerging Technologies Fund; and he oversaw the expansion of research parks and incubators at the university's Urbana-Champaign and Chicago campuses.

As dean, he transitioned the College of Agriculture, Consumer and Environmental Sciences (ACES) from 14 administrative units to seven academic departments and the Information Technology unit; completed a capital campaign for ACES surpassing the final goal of \$115 million by raising \$134 million in private gifts; grew the ACES endowment to \$60 million; established \$15 million in annual private gift support, funding

endowed positions, scholarships and fellowships, and program support for teaching, research, and Extension; and he oversaw the completion of the \$22 million ACES Library, Information and Alumni Center where \$11 million was from gifts from ACES alumni and friends.

He has co-authored four books, 12 book chapters and more than 100 invited and/or peer reviewed academic journal articles. Dr. Chicoine served as an advisor to the Illinois General Assembly on tax issues, farmland property tax assessments, public finance and rural economic issues. He served as a member of the Illinois Governor's Council of Economic Advisors, and was a member of the board of the Illinois State Treasurer's Technology Development Fund. He currently is a tenured faculty member in the SDSU Department of Economics, where he has been recognized as a Distinguished Alumnus.

Chicoine served as the faculty representative to the Big Ten Conference and the National Collegiate Athletics Association (NCAA) for the University of Illinois at Urbana-Champaign. He served as chair of the Budget and Finance Committee for the Big Ten Conference for nine of his eleven year term.

Dr. Chicoine is a graduate of SDSU with a B.S. in agribusiness in 1969, and the University of Delaware where he received an M.S. in agricultural economics in 1971. In 1978 he received an M.A. in economics from Western Illinois University, and in 1979 he completed his Ph.D. in agricultural economics at the University of Illinois at Urbana-Champaign.

Justin Sell

Athletic Director, South Dakota State University
Bowling Green University, '91

Justin Sell became the 12th director of athletics at South Dakota State on May 29, 2009, taking over for Dr. Fred Oien, who retired on April 8, 2009 after 18 years.

Sell came to SDSU after 10 years at the University of Northern Iowa, most recently as the Senior Associate Athletic Director for the Panthers.

Responsible for community relations in the areas of economic development, tourism and the Chamber of Commerce, Sell played a vital role in community engagement for UNI athletics. As president and co-founder of the Cedar Valley Sports and Entertainment Commission, he designed, implemented and managed a fundraising plan that raised more

than \$260,000 to bid and attract statewide, regional and national level events to the local communities.

Sell came to UNI in May 1999 as the Operations Manager for Athletic Facilities before earning a promotion to Assistant Athletic Director for Operations in 2000.

He worked his way up to Associate Athletic Director in 2002, where he began sport management of nine sports and direct oversight of more than 100 employees.

Prior to UNI, Sell worked as the Director of Ticket Operations and Assistant Facility Director and Intramural Director at Villanova from 1995-99, where he oversaw facility capital projects.

Before arriving at Villanova, he worked at Syracuse University and Ohio State.

Sell graduated from Bowling Green State University in 1991, earning a degree in Sport Management. He received his master's in Sport Administration in 1992 from Ohio State, where he worked as a graduate assistant for facilities, summer camps and compliance.

He and his wife, Jennie, have four children - Abbie, Zach, Josh and Eric.

Mylo Hellickson

Faculty Athletic Representative, South Dakota State University
North Dakota State University '64

Dr. Mylo Hellickson has been South Dakota State University's Faculty Athletic Representative to the NCAA since 1977. He also serves as the chairman of the Athletic, Intramural and Recreation Committee on campus as well as serving as interim athletic director from December 2008 to May 29, 2009.

Hellickson returned to the classroom as a professor in agricultural engineering after serving several years as Director of Agricultural Extension at SDSU. He has been on staff at South Dakota State since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson's specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture.

A native of Belfield, N.D., Hellickson earned a bachelor's degree in agricultural engineering from North Dakota State University in 1964. He later added a master's degree in agricultural engineering in 1966 from his Alma mater before continuing his education at West Virginia University, where he earned his Ph.D. in engineering in 1969.

Hellickson was presented the North Central Conference Meritorious Service Award at the November 1990 meetings.

South Dakota State University

Administration

Leon Costello

Senior Associate Athletic Director-External, South Dakota State University
Loras College, '98

Leon Costello brought his comprehensive background in athletic marketing and administration from the University of Northern Iowa to the South Dakota State athletic staff in March 2010 as the senior associate athletic director for external affairs.

Costello worked in a variety of roles for the Northern Iowa Athletic Department the past eight years, most recently serving as the associate athletic director for external relations since July 2008. In that position, Costello oversaw the marketing efforts for the Panther athletic program, directed the Panther Scholarship Club and supervised the men's and women's golf programs. During his tenure, Costello assisted in negotiating a 10-year

agreement with Learfield Sports to provide additional marketing resources.

From 2005-08 Costello served as the assistant athletic director for marketing and promotions, where he assisted with the fundraising efforts of the McLeod Center capital project and coordinated all aspects for the athletic sales and marketing plan, including managing the Northern Iowa Sports Radio Network. Under his direction, UNI also secured two separate cable television agreements and saw a 700 percent increase in membership of the official student athletic group.

A native of Fairbank, Iowa, Costello graduated from Loras College with a bachelor's degree in physical education and sport science in 1998. While at Loras, he also played for the Duhawk men's basketball team.

After working in sales in the private sector for two years, Costello enrolled in graduate school at Western Illinois University. While completing his master's degree in sport management in 2002, Costello served an internship in marketing and game operations with the Boston Celtics. In the fall of 2002, Northern Iowa hired him as its athletic marketing and promotions assistant, where he worked for a year before earning a promotion to director of athletic marketing and promotions in January 2003.

Leon and his wife Heather live in Brookings with their daughter Caillin.

Kathy Helens

Associate Athletic Director-Compliance/SWA, South Dakota State University

Kathy Heylens came to South Dakota State in July 1984 as a member of the staff in the admissions office before moving to athletics two years later as a senior secretary.

Heylens became the institution's first full-time Compliance Coordinator in 1990 and continues those duties as the associate athletic director for compliance and senior woman administrator.

Heylens manages all aspects of the athletics compliance program to ensure strict adherence with NCAA, affiliated conferences and university rules and regulations for amateurism, eligibility, recruiting, financial aid, awards and benefits, playing and practice seasons and enforcement.

Heylens recently accepted an appointment of a four-year term on the NCAA Division I Legislative Council, which serves as the primary legislative body in the Division I governance structure. She also accepted an appointment to the four-member Legislative Council Administrative Committee, which acts on behalf of the full Legislative Council between meetings to transact routine items of business. She also serves on the NCAA Division I Football Championship Subdivision Governance Committee.

In addition to her day-to-day duties, Heylens serves on the Undergraduate Experience Committee, Diversity Committee, Intercollegiate Athletics Board and Compliance Team.

A Watertown, S.D., native, Kathy and her husband, Bill, live in Volga, S.D. and have two grown children.

Rob Peterson

Senior Associate Athletic Director-Internal, South Dakota State University
Northern Michigan, '92

Rob Peterson joined the South Dakota State University in April 2000, as an assistant athletic director for internal operations. Now the Jackrabbits senior associate athletic director for internal affairs, Peterson supervises the Jackrabbit athletic department internal operations, with a primary focus on the day-to-day operations of the department.

Peterson also serves as sports supervisor for football, equestrian, baseball, swimming/diving and track/cross country.

Before joining the SDSU staff, Peterson served as the coordinator of athletic facilities, events & projects for Fresno State University from 1997-2000. In this position, Peterson supervised seven athletic venues and the game operations for 10 sports.

Prior to his time at Fresno State, Peterson served as assistant director of recreation - facilities & events at Northern Michigan University from 1995-97. This position provided him the opportunity to supervise events and operations for the Superior Dome on the campus of NMU. This facility also houses the United States Olympic Education Center. Peterson started his career at Northern Michigan as the director of sport clubs from 1994-95.

Peterson's collegiate education includes completion of an HVAC certificate program at Northern Michigan in 1981, a Bachelor of Science in physical education & health at NMU in 1992 and a Masters of Arts in Sports Administration from Central Michigan University in 1995. He also completed a collegiate marketing internship with NMU athletics and a professional sports operations internship with the Green Bay Packers, both in 1993.

A Marquette, Mich., native, Peterson lives in Brookings with his two chocolate labs, Tucker and Bailey. His primary interests include college football, baseball, softball and ice hockey. Rob also enjoys reading, especially on the topics of professional leadership and history.
